4-H'ers Contribute Earnings to Monroe County 4-H Endowment

This year 4-H'ers participating in the Market Livestock Sales had the opportunity to pledge part of their earnings toward the Monroe County 4-H Endowment. The endowment fund was established in 2003 by the Monroe County 4-H Committee as a specific fund in partnership with The Ohio State University. This 4-H Endowment is a permanent fund made possible through individual donations, business and corporate contributions as well as fund raising events. When the fund reaches \$25,000 the interest income will annually be returned to the Monroe County 4-H program and used to expand and improve the local 4-H program. 4-H members selling at the 2005 Junior Fair Sales contributed \$1445 to the 4-H Endowment.
